

14th Creative Edge Lecture- Sponsorship Application

Your sponsorship makes it possible for Arts Orange County to offer FREE admission to this event, which attracts a wide spectrum of the arts, education and business communities, including students, teachers, school principals and district superintendents, artists and arts organization leaders.

All sponsors at the JOY HARJO CIRCLE Level and above receive prominent recognition in the pre-event promotions, the printed program and on signage at the lecture, and are invited guests at a private luncheon with the speaker following the lecture.
